

SHABBOS ABBA

This Shabbos, our hearts and thoughts will turn to remembering Daniel Tregerman, A"H.

This beautiful four-year-old little boy was killed by mortar shells at Nahal Oz. At his funeral, his grandfather tearfully spoke of how much his little grandson loved "Shalom Aleichem" and then, in a voice cracked with pain, the grandfather slowly sang the lovely melody.

When our CTVP staff went to comfort and assist the Tregerman family, they reiterated again how much "Shalom Aleichem" meant to Daniel.

This week, at our own Shabbos tables, let us keep Daniel's memory alive by dedicating our own "Shalom Aleichem" to him and to his family.

Together we will remember Daniel forever. May his memory be for a blessing.
